

POLYDECK-BC

INTERMEDIATE BASE COAT FOR CAR PARKS

PRODUCT DESCRIPTION

POLYDECK-BC is a three component system based on Epoxy resin specially designed to impart high mechanical strength and good chemical resistance to flooring systems.

The cured composition is a tough, non dusting and has excellent adhesion to variety of substrates including concrete.

PRODUCT FEATURES

When used for flooring and Mortar Screeds

- ⇒ Forms jointless flooring
- ⇒ Non dusting and easily cleanable
- ⇒ Hygienic
- ⇒ Very high mechanical strength
- ⇒ Excellent chemical resistance
- ⇒ Hard wearing
- ⇒ Excellent antiskid properties

RECOMMENDED USES

For floors and linings of

- ⇒ Automobile Industry
- ⇒ Engineering Industry
- ⇒ Basement Car Parks
- ⇒ Electronics and Electrical Industry

PRODUCT SPECIFICATION

Av. Film Thickness.....	2-3mm
Application.....	Serrated Trowel
Cure Time.....	Initial Cure – 6 hrs.
Full Mech. Cure.....	48 hrs.
Full Chemical Cure.....	7 days
Colours.....	Red, Grey, Green or other as required
Finish.....	Gloss/Semi Gloss
Pot Life.....	30 min.
Ready for use.....	To walk – 24hrs.
To light traffic.....	48 hrs.

APPLICATION METHOD

The various components are thoroughly mixed together as per specifications and applied on clean and previously primed surface to the desire thickness by means of trowel and finish to uniform and smooth surface.

HANDLING AND SAFETY

Keep the containers tightly sealed when not in use. Avoid skin contact as far as possible. Wash with plenty of water if comes in body contact. In case of irritation contact physician.

The manufacturer reserves the right to change the specifications. Apurva India Limited products are guaranteed against material manufacture and are sold subject to the company's Terms and Conditions of Sale. Whilst we endeavour to ensure that advice, specifications, recommendations and information given is correct, we can not have control over how our products are applied and will not accept liability, directly or indirectly, arising from application of our materials.

Apurva's wide range of quality products meets the tough requirements of the building industry. Constant interaction with clients, regular improvisation to meet growing needs and a strong commitment to provide products that perform has made Apurva a truly trusted name in the field.
